INDEPENDENT AUDITOR'S REPORT

To the City Council
City of Woodward, State of Oklahoma

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Woodward, State of Oklahoma (the City), as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City, as of June 30, 2013, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As discussed in Note 7 to the financial statements, in 2013, the City adopted new accounting guidance, GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with the auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provided us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management discussion and analysis that accounting principles generally accepted in the Unites States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in a an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material aspects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 20, 2013, on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting and compliance and results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

Changes in Fund Balances – Changes in Net Position Reconciliation:

Net change in fund balances - total governmental funds: \$ (2,132,221)

Amounts reported for Governmental Activities in the Statement of Revenues, Expenses and Change in Net Position are different because:

Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those expenditures over the life of the assets:

Capital asset purchases capitalized	4,430,105
Capital asset disposals	(91,002)
Depreciation expense	<u>(3,833,096)</u>
	<u>506,007</u>

Governmental funds report loss on refunding as an expense while governmental activities report amortization expense to allocate the expenditure over the life of the debt:

Interest expense	<u>(7,139)</u>
	<u>(7,139)</u>

Governmental funds report revenues earned but not received in time to pay current expenditures are deferred while governmental activities report the revenues as earned:

Deferred revenue	<u>399,572</u>
------------------	----------------

Governmental funds report debt principal payments as expenditures and debt proceeds as revenue while governmental activities report the payments as a reduction of the debt and proceeds as an increase to the debt:

Note principal payments	2,444,610
Accrued interest on note payable	12,882
Accrued compensated absences	<u>13,957</u>
	<u>2,471,449</u>

Change in net position of governmental activities	<u><u>\$ 1,237,668</u></u>
---	----------------------------

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

Footnotes to the Basic Financial Statements:

1. Financial Reporting Entity

The City's financial reporting entity includes the primary government (City of Woodward) and a blended component unit as noted below. This annual report includes all activities for which the City of Woodward City Commissioners is fiscally responsible.

The City of Woodward— that operates the public safety, health and welfare, streets and highways, parks and recreation, and administrative activities

The City of Woodward has a population of 12,051 located in northwestern Oklahoma. The City is a Council/Manager form of government and operates under a home-rule charter that provides for three branches of government:

- Legislative – the City Commission is a five-member governing body with the mayor elected by the citizens at large and the four commissioners elected by each ward
- Executive – the City Manager is the Chief Executive Officer and is appointed by the City Council
- Judicial – the Municipal Judge is a practicing attorney appointed by the City Council

The City provides typical municipal services such as public safety, health and welfare, street and alley maintenance, parks and recreation.

Component Units:

The City of Woodward Municipal Authority – public trust created under 60 O.S. §176 with City as beneficiary that operates the water, sewer and sanitation services of the City. The component unit (Authority) has the City Council as their governing body (trustees) and the City is able to impose its will on the Authority through required approval of all debt obligations issued by these entities. The Authority is reported as a blended component unit.

Related Organizations:

In addition, the City has two related organizations that are not included as component units within the City's financial statements.

- Woodward Hospital and Health Center – is a 501.(C)(3) non-profit corporation that has used the Woodward Municipal Authority as a vehicle to issue revenue note debt for facility improvements. These debts are typically secured by a pledge of hospital revenues and the improvements to the facilities constructed with the proceeds of the debt. The corporation leases the hospital facilities from the Woodward Municipal Authority in accordance with a long-term lease agreement signed by both parties. The Woodward Hospital and Health Center is not considered to be a component unit of the City of Woodward, and issues separate audited financial statements on an annual basis.
- The Woodward Industrial Foundation is a non-profit corporation organized under Section 501.(C) (6) of the Internal Revenue Code. The Foundation promotes industrial growth in the City of Woodward and Woodward County. The WIF is not considered a component unit of the City and prepares separately audited financial statements which are available from the Foundation's offices. The City of Woodward has contracted with the Foundation to provide

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

professional assistance to the City in coordinating its economic and industrial development program. For the services provided, the City compensates the WIF at a current rate of \$32,000 per month. During the year ended June 30, 2013, the WIF administered lease rental agreements between the Woodward Municipal Authority and industrial occupants and the payment of other economic development expenses.

2. Basis of Presentation and Accounting

Government-Wide Financial Statements:

The statement of net position and activities are reported on the accrual basis of accounting and economic resource focus. Under the economic resource focus, all assets and liabilities, including current and non-current are reported. Under the accrual basis of accounting, revenues are recognized when earned and expenses (including depreciation and amortization) are recorded when the liability is incurred or economic asset used.

Program revenues within the statement of activities that are derived directly from each activity or from parties outside the City's taxpayers are reported as program revenues. The City has the following program revenues in each activity:

- Public Safety: Fire and Police – Fines and forfeitures, K-9 donations, restricted operating grants, 911 revenue, state pension on-behalf payments, capital grants and contributions
- Airport: Rental fees
- Streets: Commercial vehicle and gasoline excise tax shared by the State.
- Library: Fines, state aid operating grant
- Park and recreation: program revenues
- Code enforcement: License and permits
- General Government: Rental and miscellaneous charges for services, arts council grant, ODOC grant
- Civil Defense: emergency management, operating grants
- Cemetery: cemetery lot sales
- Tourism: convention center rental and activities
- Water: water service charges
- Sewer: sewer service charges
- Economic Development: rental fees
- Hospital: rental fees

All other governmental revenues are reported as general. All taxes are classified as general revenue even if restricted for a specific purpose.

Governmental Funds:

The City's governmental funds include:

Major Funds:

- General Fund – accounts for all activities not accounted for in other special-purpose funds

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

- Limited Purpose Sales Tax Fund – capital project fund that accounts for revenues of a one-cent sales tax legally restricted by voter election for capital improvements or debt service on certain debt, such as the debt related to the hospital, parks and convention center
- Restricted Sales Tax Fund – capital project fund that accounts for revenues of a one-half cent sales tax legally restricted by voter election for capital improvement purposes
- Grant Fund – capital project fund that accounts for grants of any nature to be accounted for within this fund by department excluding grants in progress prior to establishment of grant fund

Aggregated Non-Major Funds (reported as Other Governmental Funds):

- Hotel/Motel Tax Fund – a special revenue fund that accounts for hotel/motel tax revenues to be used in economic development and promotion of tourism
- Miscellaneous Trust Fund – a special revenue fund that accounts for miscellaneous fees received and restricted for related expenditures
- Perpetual Care Fund – a special revenue fund that accounts for revenues administratively restricted for cemetery maintenance
- Cemetery Care Fund – a capital project fund that accounts for 12.5 percent of cemetery revenue restricted by State law for cemetery capital improvements.

The governmental funds are reported on a modified accrual basis of accounting and current financial resources measurement focus. Revenues are recorded on the modified accrual basis when earned and collected within 60 days of period end.

The reconciliation of the governmental funds financial statements to the governmental activities presentation in the government-wide financial statements is the result of the use of the economic resources measurement focus and accrual basis of accounting at the government-wide level.

The General Fund, Limited Purpose Sales Tax Fund, Restricted Sales Tax Fund, and Grant Fund are considered major funds and are therefore displayed in separate columns. All other governmental funds are considered non-major funds and are aggregated under the column Other Governmental Funds.

Proprietary Fund:

The City's proprietary fund is:

Major Enterprise Fund:

- Woodward Municipal Authority – accounts for the operation of the water, sewer, sanitation and rental revenues of the hospital complex.

The proprietary funds are reported on the accrual basis of accounting and economic resources measurement focus.

For purposes of the statement of revenues, expenses and changes in fund net position, operating revenues and expenses are considered those whose cash flows are related to operating activities, while revenues and expenses related to financing, capital and investing activities are reported as non-operating or transfers and contributions.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

Fiduciary funds:

These funds are used to account for assets that are held in a trustee or fiduciary capacity such as pension plan assets, assets held per trust agreements, and similar arrangements. This net position, if any, is not available for the operations of the City. Fiduciary funds report transaction on an accrual basis of accounting and economic resource measurement focus.

The City's fiduciary funds include:

Agency Fund:

- Municipal Court – accounts for municipal court bonds held pending case resolution and state assessed fees held for remittance to the state.

New Accounting Pronouncements

The City implemented the following accounting standards during fiscal year ended June 30, 2013:

Governmental Accounting Standards Board Statement No. 60 – Accounting and Financial Reporting for Service Concession Arrangements – This had no impact on the city's financial report.

Governmental Accounting Standards Board Statement No. 61 – The Financial Reporting Entity: Omnibus – This had no impact on the city's financial report.

Governmental Accounting Standards Board Statement No. 62 – Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements – A few sentences were removed from “Section B – Proprietary Funds” note disclosure to eliminate references to FASB pronouncements and APB opinions issued on or before November 30, 1989.

Governmental Accounting Standards Board Statement No. 63 – Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position – The only change required from the implementation of this statement are changing the Statement of Net Assets to a Statement of Net Position by creating two new financial statement elements.

Governmental Accounting Standards Board Statement No. 65 – Items Previously Reported as Assets and Liabilities – This was early implemented, and required the reporting of deferred inflows and deferred outflows.

3. Cash, Cash Equivalents, and Investments

For the purposes of the statements of net position, balance sheets, and statement of cash flows, cash and cash equivalents includes all demand and savings accounts, certificates of deposit, and short-term investments with an original maturity of three-months or less. Trust account investments in open-ended mutual fund shares are also considered cash equivalents for reporting purposes.

At June 30, 2013, the reporting entity held the following deposits and investments:

**CITY OF WOODWARD OKLAHOMA

Reconciliation to Statement of Net Position:			
Cash and cash equivalents	\$ 3,159,272		
Restricted cash and cash equivalents	1,947,793		
Investments	5,018,582		
Fiduciary funds cash	45,301		
	<u>\$ 10,170,948</u>		

Custodial Credit Risk – Exposure to custodial credit risk related to deposits exists when the City holds deposits that are uninsured and uncollateralized; collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City’s name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the City holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the City’s name. The City’s policy as it relates to custodial credit risk is to secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 110% of the uninsured deposits and accrued interest thereon. Collateral is limited to U.S. Treasury securities or direct debt obligations of municipalities, counties, or school districts within the state. At June 30, 2013, the City was not exposed to custodial credit risk as defined above.

Investment Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City’s investment related to interest rate risk establishes maximum maturities for certain investments. The policy limits investment maturities to no more than three years from date of purchase, except for investment of bond or debt reserve funds which have no maximum. The City discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments. As noted in the schedule of deposits and investments above, at June 30, 2013, the investments held by the City mature in three years or less.

Investment Credit Risk – The City’s investment policy limits authorized investments to those defined in state law as a means of managing its exposure to fair value losses arising from increasing interest rates. The City’s investment policy limits investments to the following:

- a. Obligations of the U. S. Government, its agencies and instrumentalities.
- b. Certificates of deposit or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs a., b., c., and d.

The City also has no formal policy limiting investments based on credit rating, but discloses any such credit risk associated with their investments by reporting the credit quality ratings of investments in debt securities as determined by nationally recognized statistical rating organizations—rating agencies—as of the year end. Unless there is information to the contrary, obligations of the U.S. government or obligations explicitly guaranteed by the U.S. government are not considered to have credit risk and do not require disclosure of credit quality. As noted in the schedule of deposits and investments above, at June 30, 2013, all of the City’s investments in debt securities were rated AAAM by Standard & Poors.

Concentration of Investment Credit Risk - Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City’s investment policy requires diversification of investments. With the exception of U.S. Treasury securities and authorized investment pools, no more than 50% of the City’s total investment portfolio may be invested in a single financial institution. At June 30, 2013, the City had no concentration of investment credit risk as defined above.

Restricted Cash and Investments - The amounts reported as restricted assets of the statement of net position are comprised of amounts held for utility deposits (refunded upon termination of service or applied to final bill), and amounts held by the trustee bank for debt retirement. The restricted assets as of June 30, 2013 are as follows:

<u>Type of Restricted Assets</u>	<u>Cash and Cash Equivalents</u>
Governmental Activities:	
General Fund Accounts:	
USDA Reserve	\$ 185,892
Limited Purpose Sales Tax Accounts:

Total	<u>\$ 1,627,359</u>
Business-Type Activities:	
Deposits subject to refund	282,245
OWRB account	38,189
Total	<u>\$ 320,434</u>

CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

4. Inventory

Inventory recorded in governmental funds and governmental activities is valued at average cost and consists of materials and supplies used for maintenance, office and janitorial activities and airport fuel. The cost is allocated to the various user departments based on their consumption. The consumption method of accounting treatment is utilized by the City's governmental funds.

5. Capital Assets and Depreciation

Capital Assets:

Capital assets consist of land, land improvement, construction in progress, buildings and building improvements, machinery and equipment, and infrastructure. Capital assets are reported at actual or estimated historical cost. Donated capital assets are recorded at their fair value at the date of donation.

For the year ended June 30, 2013, capital assets balances changed as follows:

	Balance at July 1, 2012	Additions	Deductions	Transfer	Balance at June 30, 2013
Governmental activities:					
Capital assets not being depreciated:					
Land	\$ 283,043	\$ 404,712	\$ -	\$ (16,957)	\$ 670,798

Depreciation:

Depreciable capital assets are depreciated on a straight-line basis over their estimated useful lives. A capitalization threshold of \$1,000 is used to report capital assets. The range of estimated useful lives by type of asset is as follows: Buildings 50 years, Improvements other than buildings 20-30 years, Machinery, furniture and equipment 3-24 years, Utility property and improvements and infrastructure 15-50 years.

Depreciation of capital assets is included in total expenses and is charged or allocated to the activities primarily benefiting from the use of the specific asset. Depreciation expense has been allocated as follows:

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

Limited Obligation Notes Payable:

The City, through the Woodward Municipal Authority (WMA), has entered into various agreements to issue limited obligation notes payable whose proceeds were used to finance construction of an industrial facility for lease to an industrial occupant. The current industrial occupant (Deepwater Chemicals, Inc.) leases the facility for \$20,000 per month. The WMA has assigned the rental income to the debt holders. For the year ended June 30, 2013, the Woodward Industrial Foundation collected the rental income and made the debt service payments on behalf of the WMA.

The WMA original borrowings related to this project were renegotiated in October of 1995 and presently consist of:

- Note payable to the Oklahoma Industrial Finance Authority (OIFA)

The note to OIFA is secured by a first mortgage. Said rental income is sufficient to service and retire the OIFA note. In the event of default by Deepwater in payment of said rental, the remedies of OIFA do not include the right to obtain a deficiency judgment.

Limited Obligation Notes Payable:

Taxable Promissory Note, dated October 11, 1995, payable to the Oklahoma Industrial Finance Authority, original amount of \$1,823,447, due in monthly installments of \$15,824, final installment due September 2015, with an interest rate of 8.5%, payable from rental income from industrial occupant of \$15,824 per month.

	<u>\$387,641</u>

Pledge of Future Revenues

Sales Tax Pledge - The City has pledged one and a half cents (or 43%) of collected and appropriated sales tax revenues to repay \$31,087,995 of Series 2003, 2006, 2007, 2008 Sales Tax Revenue Notes, Rural Housing Service Promissory Note and 2010 Stock Exchange Bank Note. Proceeds from the notes provided financing for governmental capital assets.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

The notes are payable from the collected and appropriated sales tax revenues and are payable through 2026, 2027, 2028, 2050 and 2020 respectively. The total principal and interest payable for the remainder of the life of these notes is \$36,640,906. Pledged sales taxes received in the current year were \$5,659,094. Debt service payments of \$3,442,722 for the current fiscal year were 61% of the pledged sales taxes.

Utility Net Revenues Pledge – The WMA has also pledged future net water and sewer revenues to repay \$3,170,000 of the 2007 Series and 2010 series OWRB Notes Payable. Proceeds from the notes provided financing for utility system capital assets. The notes are payable through 2031. The total principal and interest payable for the remainder of the life of these bonds and notes is \$3,301,715. The notes are payable from the above-mentioned utility net revenues. The debt service payments on the notes this year were \$204,731 which was 40.0% of pledged net utility revenues of \$511,791.

7. Fund Balances and Net Position

Fund Statements:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned and unassigned. These classifications are defined as:

- a. Nonspendable – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- b. Restricted – consists of fund balance with constraints placed on the use of resources either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (2) laws through constitutional provisions or enabling legislation.
- c. Committed – included amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the city’s highest level of decision-making authority. The City’s highest level of decision-making authority is made by ordinance.
- d. Assigned – includes amounts that are constrained by the city’s intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by city council action or management decision when the city council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through budgetary process.
- e. Unassigned – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

It is the City’s policy to first use restricted fund balance prior to the use of the unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City’s policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

Net position is displayed in three components:

- a. *Net investment in capital assets* – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvements of those assets.
- b. *Restricted net position* - Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

other governments, or 2) law through constitutional provisions or enabling legislation.

- c. *Unrestricted net position* - All other net position that does not meet the definition of "restricted."

It is the City's policy to first use restricted net position prior to the use of unrestricted net position when expenses are incurred for purposes for which both restricted and unrestricted net position are available.

Beginning net position was restated as of July 1, 2012, as follows:

	WMA Enterprise Fund	Government-Wide	
		Governmental Activities	Business-type Activities
Beginning net position, as previously reported	\$ 23,355,953	\$ 39,344,039	\$ 14,930,831
Elimination of bond issue cost due to Statement 65 *	(12,400)	(348,234)	(12,400)
Beginning net position, restated	<u>\$ 23,343,553</u>	<u>\$ 38,995,805</u>	<u>\$ 14,918,431</u>

*See page 25 for explanation of implementation of Statement 65

Deficit Prohibition

Title 11, Section 17-211 of the Oklahoma Statutes prohibits the creation of a deficit fund balance in any individual fund. At June 30, 2013, the City reported a fund balance deficit in the amount of \$609,465 Grant fund.

8. Internal and Interfund Balances and Transfers

The City's policy is to eliminate interfund transfers and balances in the statements of activities and net position to avoid the grossing up of balances. Only the residual balances transferred between governmental and business-type activities are reported as internal transfers and internal balances and then offset in the total column in the government-wide statements. Interfund transfers and balances between funds are not eliminated in the fund financial statements.

Transfers:

Internal transfers between funds and activities for the year ended June 30, 2013 were as follows:

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

Total Interfund Balances	<u>\$ 1,318,064</u>	<u>\$ 1,318,064</u>	<u>\$ -</u>

9. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. The City manages these various risks of loss as follows:

-
- General Liability and Physical Property – Covered through participation in Oklahoma Municipal Assurance Group risk entity pool, with a transfer of risk to the pool
 - Workers' Compensation – Workers' compensation is covered through participation in Oklahoma Municipal Assurance Group risk entity pool, with a transfer of risk to the pool
 - Employee's Group Medical – Covered through participation in commercial insurance

Management believes such insurance coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

10. Contingencies

Litigation:

The City is a party to various legal proceedings which normally occur in the course of governmental operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these proceedings. State statutes provide for the levy of an ad valorem tax over a three-year period by a City Sinking Fund for the payment of any court assessed judgment rendered against the City. While the outcome of the above noted proceedings cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

Federal and State Award Programs:

The City of Woodward participates in various federal or state grant/loan programs from year to year. In 2013, the City's involvement in federal and state award programs was material. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. The City has not been notified of any noncompliance with federal or state award requirements. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

11. Pension Plan Participation

The City of Woodward participates in four pension or retirement plans:

- Oklahoma Firefighter's Pension and Retirement System (OFPRS) – a statewide cost-sharing plan
- Oklahoma Police Pension and Retirement System (OPPRS) – a statewide cost-sharing plan
- Principal Mutual Retirement (PMR) – an agent multiple-employer defined contribution plan
- Oklahoma Municipal Retirement Fund (OMRF) – an agent multiple-employer defined contribution plan

Firefighters' Plan:

Pursuant to the requirements of Title 11, section 49-102, the City of Woodward participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Firefighters Pension Board on behalf of both paid and volunteer firefighters. The paid firefighter contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid firefighter to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The state made on-behalf payments of \$305,918.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

A copy of the Firefighters Statewide Pension Plan financial statements can be obtained from the Oklahoma Firefighters Pension System, 4545 Lincoln Blvd. Suite 263, Oklahoma City, OK, 73105-3707.

Police Plan:

Pursuant to the requirements of Title 11, section 50-102, the City of Woodward participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). The paid police person contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid police person to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The state made on-behalf payments of \$136,357.

The OPPRS issues a publicly available report that includes financial statements, which can be obtained from the Oklahoma Police Pension and Retirement System, 1001 N.W. 63rd Street, Oklahoma City, OK, 73116-7335.

Employee Plan:

The City provides a pension benefit for all of its full-time employees with the exception of the police and fire departments, through a defined contribution plan with the Principal Mutual Life Insurance Company. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investments earnings. Employees are eligible to participate upon completion of a probationary period. Employer contributions equal to 7% of the employee's gross pay. The City's contributions for each employee (and interest allocated to the employee's account) are vested at a rate of 20% after completion of three years of service and then 20% per year for the next four years. The employee is fully vested after 7 years of service. City contributions for, and interest forfeited by, employees who leave employment prior to fully vesting are allocated back to remaining eligible participants. The authority to establish and amend the provisions of the plan rest with the City Commission.

The City has also provided a defined contribution plan known as the Oklahoma Municipal Retirement Fund Defined Contribution Plan. Participation in the defined contribution plan is mandatory for all full-time employees not covered under the Police and Firefighter's Pension Systems. Benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate upon their employment commencement date. The City's contributions may vary from year to year, however, for the current year the City contributed 1% of gross pay for eligible employees. The City's contributions for each employee (and interest allocated to the employee's account) are vested at 100% upon the employee's employment commencement date. The employee is fully vested upon employment commencement date. The employee's required rate of contribution is 2% with total employee contributions not to exceed 10%. The authority to establish and amend the provisions of the plan rest with the City Commission.

Summary of Contributions:

	<u>Oklahoma Police Pension & Retirement System</u>		<u>Oklahoma Firefighter's Pension & Retirement System</u>	
<i>Fiscal Year</i>	<i>Required Contribution</i>	<i>Percent Contributed</i>	<i>Required Contribution</i>	<i>Percent Contributed</i>

12. Use of Estimates

Certain estimates are made in the preparation of the financial statements, such as estimated lives for capital assets depreciation. Estimates are based on management’s best judgments and may vary from actual results.

13. Sales Tax Revenue

Sales tax revenue represents a 3 ½ cent tax on each dollar of taxable sales of which is recorded as follows:

- 2 cents is recorded in the General Fund for operations.
- 1 cent is recorded in the Limited Purpose Sales Tax Fund to be used for capital improvements or debt service on certain indebtedness.
- ½ cent is recorded in the Restricted Sales Tax Fund to be used for capital improvements.

14. Insurance Recovery

During fiscal year ended June 30, 2013 several city assets were damaged as a result of a hail storm. Insurance recovery proceeds of \$544,187 are recorded in miscellaneous revenue in the General Fund.

15. Construction Commitments

The City had the following construction commitments outstanding at June 30, 2013 with balances left on the contract:

- Softball Complex – Timberlake Construction, Inc., original contract \$3,971,838; remaining \$3,646,939
- Reconstruct taxiways for hanger – JLT Corporation, original contract \$783,140; remaining \$171,235
- Streetscape Improvement – CGC, LLC, original contact \$1,485,063; remaining \$896,827

16. Subsequent Events

In September 2013 the City issued \$9,000,000 Sales Tax Revenue Note to be used to construct a new Fire Station and street projects. A new ½ cent Sales Tax was approved to pay for the note.

ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

Footnotes to Budgetary Comparison Schedules:

1. The budgetary comparison schedules are reported on a non-GAAP budgetary basis that report revenues on a cash basis and expenditures on a modified cash basis. For budgetary purposes expenditures are reported in the period the invoice is received, except for payroll expenditures that are recorded when paid.
2. The legal level of appropriation control is the department level within a fund. Transfers of appropriation between departments within a fund require the approval of the City Manager. All supplemental appropriations require the approval of the City Commission. Supplemental appropriations must be filed with the Office of the State Auditor and Inspector.
3. The budgetary basis differs from the modified accrual basis as shown in the schedule below:

	General Fund
Resources budetary basis:	\$ 13,009,743
Deduct transfer in	(966,732)
Revenue - modified accrual basis	\$ 12,043,011
Charges to appropriation budetary basis	\$ 13,143,296
Add (deduct) change in payables	118,697
Deduct transfer out	(915)
Expenditures - modified accrual basis	\$ 13,261,078

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the City Council
City of Woodward, OK

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Woodward, OK (the City), as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated November 20, 2013. Our report includes an explanatory paragraph related to the omission of Management's Discussion and Analysis which is supplementary information required by generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered City's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Woodward, OK's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We noted certain matters that we reported to management of City of Woodward, OK in a separate letter dated November 20, 2013.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY OMB CIRCULAR A-133

To the City Council
City of Woodward, OK

Report on Compliance for Each Major Federal Program

We have audited City of Woodward, OK's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of City of Woodward, OK's (the City) major federal programs for the year ended June 30, 2013. The City's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about City of Woodward, OK's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Each Major Federal Program

In our opinion, the City, complied in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30 2013.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as item 2013-1. Our opinion on the major program is not modified with respect to this matter.

The City's response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of City of Woodward, OK is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our

audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit the attention of those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2013-1, to be a significant deficiency.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated November 20, 2013, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material aspects in relation to the basic financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

**Notes to Schedule of Expenditures of Federal Awards
Year Ended June 30, 2013**

Note 1: Basis of Presentation

General

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) presents the activity of all federal and state award program of the City of Woodward, State of OK (the City) for the year ended June 30, 2013. The City's reporting entity is described in Note 1 of the City's Annual Financial Statements. Federal financial awards received directly from federal agencies as well as federal financial awards, if any, passed through other government agencies are included on the Schedule. Required matching contributions, program income, state and private grants, and other nonfederal grants and awards are not included in the Schedule.

Basis of Accounting

The accompanying Schedule is presented using the same basis of accounting as the related funding which the grant activities is reported in the basic financial statements. These bases of accounting re described in Note 1 of the city's Annual Financial Statements.

Note 2: Federal CFDA Numbers

Federal CFDA numbers or other identifying numbers listed on the Schedule were obtained from the respective grant/contract agreement.
