INDEPENDENT AUDITOR'S REPORT

To the City Council
City of Woodward, State of Oklahoma

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Woodward, State of Oklahoma, as of and for the year ended June 30, 2012, which collectively comprise the City's basic financial statements as listed in the table of contents. These financial statements are the responsibility of City of Woodward, Oklahoma's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Woodward, Oklahoma, as of June 30, 2012, and the respective changes in financial position, and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 2, 2012, on our consideration of the City of Woodward, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the Required Supplementary Information as listed in the table of contents as supplementary information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of

inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The City of Woodward has not presented a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to supplement, although not to be a part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Woodward, Oklahoma's financial statements as a whole. The combining nonmajor fund financials statements, and the combining general fund accounts financial statements are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the financial statements. The combining nonmajor fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

Footnotes to the Basic Financial Statements:

1. Financial Reporting Entity

The City's financial reporting entity includes the primary government (City of Woodward) and a blended component unit as noted below. This annual report includes all activities for which the City of Woodward City Commissioners is fiscally responsible.

The City of Woodward— that operates the public safety, health and welfare, streets and highways, parks and recreation, and administrative activities

The City of Woodward has a population of 12,051 located in northwestern Oklahoma. The City is a Council/Manager form of government and operates under a home-rule charter that provides for three branches of government:

- Legislative – the City Commission is a five-member governing body with the mayor elected by the citizens at large and the four commissioners elected by each ward
- Executive – the City Manager is the Chief Executive Officer and is appointed by the City Council
- Judicial – the Municipal Judge is a practicing attorney appointed by the City Council

The City provides typical municipal services such as public safety, health and welfare, street and alley maintenance, parks and recreation.

Component Units:

The City of Woodward Municipal Authority – public trust created under 60 O.S. §176 with City as beneficiary that operates the water, sewer and sanitation services of the City. The component unit (Authority) has the City Council as their governing body (trustees) and the City is able to impose its will on the Authority through required approval of all debt obligations issued by these entities. The Authority is reported as a blended component unit.

Related Organizations:

In addition, the City has two related organizations that are not included as component units within the City's financial statements.

- Woodward Hospital and Health Center – is a 501.(C)(3) non-profit corporation that has used the Woodward Municipal Authority as a vehicle to issue revenue note debt for facility improvements. This debt is secured by a pledge of hospital revenues and the improvements to the facilities constructed with the proceeds of the debt. The corporation leases the hospital facilities from the Woodward Municipal Authority in accordance with a long-term lease agreement signed by both parties. The Woodward Hospital and Health Center is not considered to be a component unit of the City of Woodward, and issues separate audited financial statements on an annual basis. The debt issues of the Woodward Municipal Authority that are secured solely with the hospital revenues and facility improvements are disclosed in detail the long-term debt note as non-commitment debt. The Woodward Municipal Authority has also issued revenue notes which constructed the original hospital facility. These notes are secured by a restricted sales tax which is appropriated and transferred by the City to the Authority. Additional information regarding this debt is disclosed in the long-term debt section of this report.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

- The Woodward Industrial Foundation is a non-profit corporation organized under Section 501.(C) (6) of the Internal Revenue Code. The Foundation promotes industrial growth in the City of Woodward and Woodward County. The WIF is not considered a component unit of the City and prepares separately audited financial statements which are available from the Foundation's offices. The City of Woodward has contracted with the Foundation to provide professional assistance to the City in coordinating its economic and industrial development program. For the services provided, the City compensates the WIF at a current rate of \$19,000 per month. Also, the City has agreed to pay to WIF, pursuant to this contract, monthly sums (presently \$13,000 per month) for funding of costs incurred related to the City's (WMA) participation in the state Quality Building Program. Any remaining unspent funds pursuant to this Program are held by the WIF for the benefit of the City (WMA). During the year ended June 30, 2012, the WIF administered lease rental agreements between the Woodward Municipal Authority and industrial occupants and the payment of other economic development expenses.

2. Basis of Presentation and Accounting

Government-Wide Financial Statements:

The statement of net assets and activities are reported on the accrual basis of accounting and economic resource focus. Under the economic resource focus, all assets and liabilities, including current and non-current are reported. Under the accrual basis of accounting, revenues are recognized when earned and expenses (including depreciation and amortization) are recorded when the liability is incurred or economic asset used.

Program revenues within the statement of activities that are derived directly from each activity or from parties outside the City's taxpayers are reported as program revenues. The City has the following program revenues in each activity:

- Public Safety: Fire and Police – Fines and forfeitures, K-9 donations, restricted operating grants, 911 revenue, state pension on-behalf payments, capital grants and contributions
- Airport: Rental fees
- Streets: Commercial vehicle and gasoline excise tax shared by the State.
- Library: Fines, state aid operating grant
- Park and recreation: program revenues
- Code enforcement: License and permits
- General Government: Rental and miscellaneous charges for services, arts council grant, ODOC grant
- Civil Defense: emergency management, operating grants
- Cemetery: cemetery lot sales
- Tourism: convention center rental and activities
- Hospital: rental fees

All other governmental revenues are reported as general. All taxes are classified as general revenue even if restricted for a specific purpose.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

Governmental Funds:

The City's governmental funds include:

Major Funds:

- General Fund – accounts for all activities not accounted for in other special-purpose funds
- Limited Purpose Sales Tax Fund – capital project fund that accounts for revenues of a one-cent sales tax legally restricted by voter election for capital improvements or debt service on certain debt, such as the debt related to the hospital, parks and convention center
- Restricted Sales Tax Fund – capital project fund that accounts for revenues of a one-half cent sales tax legally restricted by voter election for capital improvement purposes

Aggregated Non-Major Funds (reported as Other Governmental Funds):

- Hotel/Motel Tax Fund – a special revenue fund that accounts for hotel/motel tax revenues to be used in economic development and promotion of tourism
- Miscellaneous Trust Fund – a special revenue fund that accounts for miscellaneous fees received and restricted for related expenditures
- Perpetual Care Fund – a special revenue fund that accounts for revenues administratively restricted for cemetery maintenance
- Cemetery Care Fund – a capital project fund that accounts for 12.5 percent of cemetery revenue restricted by State law for cemetery capital improvements.
- Grant Fund – capital project fund that accounts for grants of any nature to be accounted for within this fund by department excluding grants in progress prior to establishment of grant fund

The governmental funds are reported on a modified accrual basis of accounting and current financial resources measurement focus. Revenues are recorded on the modified accrual basis when earned and collected within 60 days of period end.

The reconciliation of the governmental funds financial statements to the governmental activities presentation in the government-wide financial statements is the result of the use of the economic resources measurement focus and accrual basis of accounting at the government-wide level.

The General Fund, Limited Purpose Sales Tax Fund and Restricted Sales Tax Fund are considered major funds and are therefore displayed in separate columns. All other governmental funds are considered non-major funds and are aggregated under the column Other Governmental Funds.

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

Proprietary Funds:

The City's proprietary funds include:

Major Enterprise Fund:

- Woodward Municipal Authority – accounts for the operation of the water, sewer, sanitation and rental revenues of the hospital complex.

The proprietary funds are reported on the accrual basis of accounting and economic resources measurement focus. For business-type activities and proprietary funds, Financial Accounting Standard Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, have been applied, unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails.

For purposes of the statement of revenues, expenses and changes in fund net assets, operating revenues and expenses are considered those whose cash flows are related to operating activities, while revenues and expenses related to financing, capital and investing activities are reported as non-operating or transfers and contributions.

Fiduciary funds:

These funds are used to account for assets that are held in a trustee or fiduciary capacity such as pension plan assets, assets held per trust agreements, and similar arrangements. These net assets are not available for the operations of the City. Fiduciary funds report transaction on an accrual basis of accounting and economic resource measurement focus.

The City's fiduciary funds include:

Agency Fund:

- Municipal Court – accounts for municipal court bonds held pending case resolution and state assessed fees held for remittance to the state.

3. Cash, Cash Equivalents, and Investments

For the purposes of the statements of net assets, balance sheets, and statement of cash flows, cash and cash equivalents includes all demand and savings accounts, certificates of deposit, and short-term investments with an original maturity of three-months or less. Trust account investments in open-ended mutual fund shares are also considered cash equivalents for reporting purposes.

CITY OF WOODWARD OKLAHOMA

Fiduciary funds cash	35,552	
	<u>\$ 11,524,295</u>	

Custodial Credit Risk – Exposure to custodial credit risk related to deposits exists when the City holds deposits that are uninsured and uncollateralized; collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City’s name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the City holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the City’s name. The City’s policy as it relates to custodial credit risk is to secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 110% of the uninsured deposits and accrued interest thereon. Collateral is limited to U.S. Treasury securities or direct debt obligations of municipalities, counties, or school districts within the state. At June 30, 2012, the City was under-collateralized at one financial institution by \$250,000; this was resolved on August 1, 2012.

Investment Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City’s investment related to interest rate risk establishes maximum maturities for certain investments. The policy limits investment maturities to no more than three years from date of purchase, except for investment of bond or debt reserve funds which have no maximum. The City discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments. As noted in the schedule of deposits and investments above, at June 30, 2012, the investments held by the City mature in three years or less

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

Investment Credit Risk – The City’s investment policy limits authorized investments to those defined in state law as a means of managing its exposure to fair value losses arising from increasing interest rates. The City’s investment policy limits investments to the following:

- a. Obligations of the U. S. Government, its agencies and instrumentalities.
- b. Certificates of deposit or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs a., b., c., and d.

The City also has no formal policy limiting investments based on credit rating, but discloses any such credit risk associated with their investments by reporting the credit quality ratings of investments in debt securities as determined by nationally recognized statistical rating organizations—rating agencies—as of the year end. Unless there is information to the contrary, obligations of the U.S. government or obligations explicitly guaranteed by the U.S. government are not considered to have credit risk and do not require disclosure of credit quality. As noted in the schedule of deposits and investments above, at June 30, 2012, all of the City’s investments in debt securities were rated AAAM by Standard & Poors.

Concentration of Investment Credit Risk - Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City’s investment policy requires diversification of investments. With the exception of U.S. Treasury securities and authorized investment pools, no more than 50% of the City’s total investment portfolio may be invested in a single financial institution. At June 30, 2012, the City had no concentration of investment credit risk as defined above.

Restricted Cash and Investments - The amounts reported as restricted assets of the statement of net assets are comprised of amounts held for utility deposits (refunded upon termination of service or applied to final bill), and amounts held by the trustee bank for debt retirement. The restricted assets as of June 30, 2012 are as follows:

4. Capital Assets and Depreciation

Capital Assets:

Capital assets consist of land, land improvement, construction in progress, buildings and building improvements, machinery and equipment, and infrastructure. Capital assets are reported at actual or estimated historical cost. Donated capital assets are recorded at their fair value at the date of donation.

For the year ended June 30, 2012, capital assets balances changed as follows:

Limited Obligation Notes Payable:

The City, through the Woodward Municipal Authority (WMA), has entered into various agreements to issue limited obligation notes payable whose proceeds were used to finance construction of an industrial facility for lease to an industrial occupant. The current industrial occupant (Deepwater Chemicals, Inc.) leases the facility for \$20,000 per month. The WMA has assigned the rental income to the debt holders. For the year ended June 30, 2012, the Woodward Industrial Foundation collected the rental income and made the debt service payments on behalf of the WMA.

The WMA original borrowings related to this project were renegotiated in October of 1995 and presently consist of:

- Note payable to the Oklahoma Industrial Finance Authority (OIFA)

The note to OIFA is secured by a first mortgage. Said rental income is sufficient to service and retire the OIFA note. In the event of default by Deepwater in payment of said rental, the remedies of OIFA do not include the right to obtain a deficiency judgment.

Limited Obligation Notes Payable:

Taxable Promissory Note, dated October 11, 1995, payable to the Oklahoma Industrial Finance Authority, original amount of \$1,823,447, due in monthly installments of \$15,824, final installment due September 2015, with an interest rate of 8.5%, payable from rental income from industrial occupant of \$15,824 per month.

Pledge of Future Revenues

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

Sales Tax Pledge - The City has pledged one and a half cents (or 43%) of collected and appropriated sales tax revenues to repay \$39,032,995 of Series 2003, 2006, 2007, 2008 Sales Tax Revenue Notes, Rural Housing Service Promissory Note and 2010 Stock Exchange Bank Note. Proceeds from the notes provided financing for governmental capital assets. The notes are payable from the collected and appropriated sales tax revenues and are payable through 2012, 2026, 2027, 2028, 2050 and 2020 respectively. The total principal and interest payable for the remainder of the life of these notes is \$39,770,292. Pledged sales taxes received in the current year were \$5,013,166. Debt service payments of \$3,458,914 for the current fiscal year were 69% of the pledged sales taxes.

Utility Net Revenues Pledge - The WMA has also pledged future net water and sewer revenues to repay \$2,775,103 of the 2007 Series and 2010 series OWRB Notes Payable. Proceeds from the notes provided financing for utility system capital assets. The notes are payable through 2031. The total principal and interest payable for the remainder of the life of these bonds and notes is \$3,885,618. The notes are payable from the above-mentioned utility net revenues. The debt service payments on the notes this year were \$218,770 which was 19.3% of pledged net utility revenues of \$1,135,485.

6. Fund Balances and Net Assets

Fund Statements:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned and unassigned. These classifications are defined as:

- a. Nonspendable – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- b. Restricted – consists of fund balance with constraints placed on the use of resources either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (2) laws through constitutional provisions or enabling legislation.
- c. Committed – included amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the city’s highest level of decision-making authority. The City’s highest level of decision-making authority is made by ordinance.
- d. Assigned – includes amounts that are constrained by the city’s intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by city council action or management decision when the city council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through budgetary process.
- e. Unassigned – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

It is the City’s policy to first use restricted fund balance prior to the use of the unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City’s policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

Net assets are displayed in three components:

- a. *Invested in capital assets, net of related debt* – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

acquisition, construction or improvements of those assets.

- b. *Restricted net assets* - Consists of net assets with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- c. *Unrestricted net assets* - All other net assets that do not meet the definition of “restricted.”

It is the City’s policy to first use restricted net assets prior to the use of unrestricted net assets when expenditures are incurred for purposes for which both restricted and unrestricted net assets are available.

Beginning balances/net assets were restated as of July 1, 2011, as follows:

	General Fund	Limited Purpose Sales Tax Fund	WMA Enterprise Fund	Government-Wide	
				Governmental Activities	Business-type Activities

7. Internal and Interfund Balances and Transfers

The City’s policy is to eliminate interfund transfers and balances in the statements of activities and net assets to avoid the grossing up of balances. Only the residual balances transferred between governmental and business-type activities are reported as internal transfers and internal balances and then offset in the total column in the government-wide statements. Interfund transfers and balances between funds are not eliminated in the fund financial statements.

Transfers:

Internal transfers between funds and activities for the year ended June 30, 2012 were as follows:

8. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. The City manages these various risks of loss as follows:

- General Liability and Physical Property – Covered through participation in Oklahoma Municipal Assurance Group risk entity pool, with a transfer of risk to the pool
- Workers' Compensation – Workers' compensation is covered through participation in Oklahoma Municipal Assurance Group risk entity pool, with a transfer of risk to the pool
- Employee's Group Medical – Covered through participation in commercial insurance

Management believes such insurance coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

9. Contingencies

Litigation:

The City is a party to various legal proceedings which normally occur in the course of governmental operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these proceedings. State statutes provide for the levy of an ad valorem tax over a three-year period by a City Sinking Fund for the payment of any court assessed judgment rendered against the City. While the outcome of the above noted proceedings cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

Federal and State Award Programs:

The City of Woodward participates in various federal or state grant/loan programs from year to year. In 2012, the City's involvement in federal and state award programs was material. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. The City has not been notified of any noncompliance with federal or state award requirements. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

10. Pension Plan Participation

The City of Woodward participates in four pension or retirement plans:

- Oklahoma Firefighter's Pension and Retirement System (OFPRS) – a statewide cost-sharing plan
- Oklahoma Police Pension and Retirement System (OPPRS) – a statewide cost-sharing plan
- Principal Mutual Retirement (PMR) – an agent multiple-employer defined contribution plan
- Oklahoma Municipal Retirement Fund (OMRF) – an agent multiple-employer defined contribution plan

Firefighters' Plan:

**CITY OF WOODWARD OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012**

Pursuant to the requirements of Title 11, section 49-102, the City of Woodward participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Firefighters Pension Board on behalf of both paid and volunteer firefighters. The paid firefighter contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid firefighter to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The state made on-behalf payments of \$269,222.

A copy of the Firefighters Statewide Pension Plan financial statements can be obtained from the Oklahoma Firefighters Pension System, 4545 Lincoln Blvd. Suite 263, Oklahoma City, OK, 73105-3707.

Police Plan:

Pursuant to the requirements of Title 11, section 50-102, the City of Woodward participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). The paid police person contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid police person to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The state made on-behalf payments of \$112,620.

The OPPRS issues a publicly available report that includes financial statements, which can be obtained from the Oklahoma Police Pension and Retirement System, 1001 N.W. 63rd Street, Oklahoma City, OK, 73116-7335.

Employee Plan:

The City provides a pension benefit for all of its full-time employees with the exception of the police and fire departments, through a defined contribution plan with the Principal Mutual Life Insurance Company. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investments earnings. Employees are eligible to participate upon completion of a probationary period. Employer contributions equal to 7% of the employee's gross pay. The City's contributions for each employee (and interest allocated to the employee's account) are vested at a rate of 20% after completion of three years of service and then 20% per year for the next four years. The employee is fully vested after 7 years of service. City contributions for, and interest forfeited by, employees who leave employment prior to fully vesting are allocated back to remaining eligible participants. The authority to establish and amend the provisions of the plan rest with the City Commission.

The City has also provided a defined contribution plan known as the Oklahoma Municipal Retirement Fund Defined Contribution Plan. Participation in the defined contribution plan is mandatory for all full-time employees not covered under the Police and Firefighter's Pension Systems. Benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate upon their employment commencement date. The City's contributions may vary from year to year, however, for the current year the City contributed 1% of gross pay for eligible employees. The City's contributions for each employee (and interest allocated to the employee's account) are vested at 100% upon the employee's employment commencement date. The employee is fully vested upon employment commencement date. The employee's required rate of contribution is 2% with total employee contributions not to exceed 10%. The authority to establish and amend the provisions of the plan rest with the City Commission.

11. Use of Estimates

Certain estimates are made in the preparation of the financial statements, such as estimated lives for capital assets depreciation. Estimates are based on management's best judgments and may vary from actual results.

12. Sales Tax Revenue

Sales tax revenue represents a 3 ½ cent tax on each dollar of taxable sales of which is recorded as follows:

- 2 cents is recorded in the General Fund for operations.
- 1 cent is recorded in the Limited Purpose Sales Tax Fund to be used for capital improvements or debt service on certain indebtedness.
- ½ cent is recorded in the Restricted Sales Tax Fund to be used for capital improvements.

ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2012

Footnotes to Budgetary Comparison Schedules:

1. The budgetary comparison schedules are reported on a non-GAAP budgetary basis that report revenues on a cash basis and expenditures on a modified cash basis. For budgetary purposes expenditures are reported in the period the invoice is received, except for payroll expenditures that are recorded when paid.
2. The legal level of appropriation control is the department level within a fund. Transfers of appropriation between departments within a fund require the approval of the City Manager. All supplemental appropriations require the approval of the City Commission. Supplemental appropriations must be filed with the Office of the State Auditor and Inspector.
3. The budgetary basis differs from the modified accrual basis as shown in the schedule below:

	General Fund
Resources budetary basis:	\$ 11,526,868
Add state on-behalf payments	381,842
Deduct transfer in	(1,173,778)

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the City Council
City of Woodward, OK

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Woodward, OK, as of and for the year ended June 30, 2012, which collectively comprise the City of Woodward, OK's basic financial statements and have issued our report thereon dated November 2, 2012. Our report includes an explanatory paragraph related to the omission of Management's Discussion and Analysis which is supplementary information required by generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

Management of City of Woodward, OK is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered City of Woodward, OK's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City of Woodward, OK's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City of Woodward, OK's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Woodward, OK's financial statements are free of material misstatement, we performed test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of City of Woodward, OK in a separate letter dated November 2, 2012.

This report is intended solely for the information and use of management, City Council, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to be 'RS', is located below the text.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the City Council
City of Woodward, OK

Compliance

We have audited City of Woodward, OK's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of City of Woodward, OK's major federal programs for the year ended June 30, 2012. City of Woodward, OK's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of City of Woodward, OK's management. Our responsibility is to express an opinion of City of Woodward, OK's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about City of Woodward, OK's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of City of Woodward, OK's compliance with those requirements.

In our opinion, City of Woodward, OK complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

Internal Control Over Compliance

Management of City of Woodward, OK is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered City of Woodward, OK's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an

opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of City of Woodward, OK's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, City Council, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
